2. If landfill is directed by City, does the hauler notify landfill of each load coming from Weslaco and then the landfill bills Weslaco directly, or is hauler responsible for landfill fees? **No landfill**

8. Are there any other, of any kind, municipal fees related to waste collection? **No**
9. PWS has a liquid waste (portable toilets) and septic tank service component; is there a need for these service(s)? **No**
10. Is it possible to move start date of contract to December 1, 2015 to give us time to purchase additional trucks, containers, carts etc. needed should we be selected. **Dependent on current provider agreeing to extend contract to that date**
